### Short description

- Following the Alexandria-Project, the Cologne-Cairo-Project – as RFPD-Project – is an attempt to improve the living conditions of the inhabitants in Cairo and in particular of the women of the poverty quarter Kilo 21 by providing the assistance mentioned above. The funds were raised by the Germans, the Egyptians take care for the projects being completed in Alexandria, i.e. they choose the participants and cooperate with partner organizations that look after the education and the professional training. They also approve, disburse and supervise the return of the micro loans.
